

Transfers to Verolanuova

By plane:

- Villafranca (Verona) airport "Valerio Catullo" (VRN) offers connections with major Italian and important European cities. The airport is 64 km from Brescia and is connected to Verona's train station by a shuttle service.
- Montichiari airport "Gabriele D'Annunzio" (Brescia) has a small airport with low-cost flights to London's Stansted and Rome's Ciampino airports.
- Bergamo airport "Orio al Serio" (BGY) at 45 km from Brescia international airport. It is Italy's first low-cost airport with many flights for Italian and European destinations. It is connected to Bergamo's train station by a shuttle service and Brescia's train station by a shuttle service.
- Milano-Malpensa (MXP) at 140 km from Brescia is the intercontinental airport of Milano. With its wide range of destinations around the world, is the main hub of northern Italy. Operates through two passenger airports Malpensa: Terminal 1 is dedicated to business and leisure customers on domestic, international and intercontinental destinations, with designated areas for scheduled and charter; Terminal 2, dedicated to the low-cost traffic. From Terminal 1 of the airport can be easily reached the center of Milan with the Malpensa Express train. To move from Terminal 1 to Terminal 2 is operating a free shuttle service 24 hours on 24 with a frequency of about 7 minutes during the daytime and about 30 minutes during the night (from 22.45 to 5.15).
- Milano-Linate "Enrico Forlanini" (LIN) at 85 km from Brescia is the second airport of Lombardy for passenger volume. Welcomes the national traffic and the European short-haul. Also depart from various airlines and low cost. It is only 7 km away from the center of Milan practical, convenient and easy to reach by public and private transport. It is connected to Milano's train station by a shuttle service.
